

CIS 142 Program Assignment 4

Write a program to generate and display a table of n^2 squared, for integer values of n ranging from 1 to 10. Be sure to print appropriate column headings.

n	n^2
1	1
2	4
3	9
4	16
5	25
6	36
7	49
8	64
9	81
10	100
